September/October Newsletter

President's Message

Welcome back! I hope everyone had a wonderful summer. Hope to see you at the luncheon.

On May 19th, we awarded 8 bikes, helmets and locks to Acacia Elementary for the 2022 Read-to-Ride grant. Barb and Richard Hernandez are working on the 2023 grant. They also fulfilled the Back-to-School grant with the purchase and delivery of fidget blankets, adult coloring books, colored pencils and a Bluetooth speaker. Thank you, Barb and Rich for all you do for Pioneers.

I have completed the Back-to-School grant for Cross Christian Academy in Surprise. I purchased shorts, tops, underpants, disposable thermometer covers and shoes.

Hug-a-Bear volunteers have been working throughout the summer and will complete their grant as well. Thank you Caron Personke for keeping all the moving parts with Hug-a-Bear flowing smoothly. And thank you to all your volunteers.
