

Phoenix Thunderbird Pioneer Club

Chapter #66

September/October 2024

President's Message

Welcome back, everyone. I hope you had a fun, safe summer.

I would like to give a big shout out to our Hug A Bear Pioneer volunteers. Their dedication and hard work is unmatched in our club. Thanks to all the ladies and Caron Personke, Vice President of Hug A Bears.

During the summer, we were able to complete the School Project grant(formerly the Acacia Back to School Grant) and the Cross Christian Academy grant. Both schools were very appreciative of our support for their schools.

We are implementing a new policy at our lunches per information we received from Legacy West, to be in compliance with our charitable status. We will be requesting CASH ONLY at our lunches. This will allow us to pay the restaurant bill in cash. If there is anything left over, it will be added to our charitable funds. Other clubs have been doing this for a long time.

If you have any questions or concerns, please call me or anyone on the Phoenix Thunderbird Pioneer Club Board.

She started her volunteering experiences with the Strides Against Breast Cancer walks which inspired her to become more involved in her community through organizations such as the Maricopa County's Empowered Youth Leaders Coalition and Banner Thunderbird Medical Center. Whether giving back to her community via large scale community events or helping out in a one-on-one setting, Sophia will continue to fulfill her purpose as an individual, community member and leader through her volunteer activities.
